.....

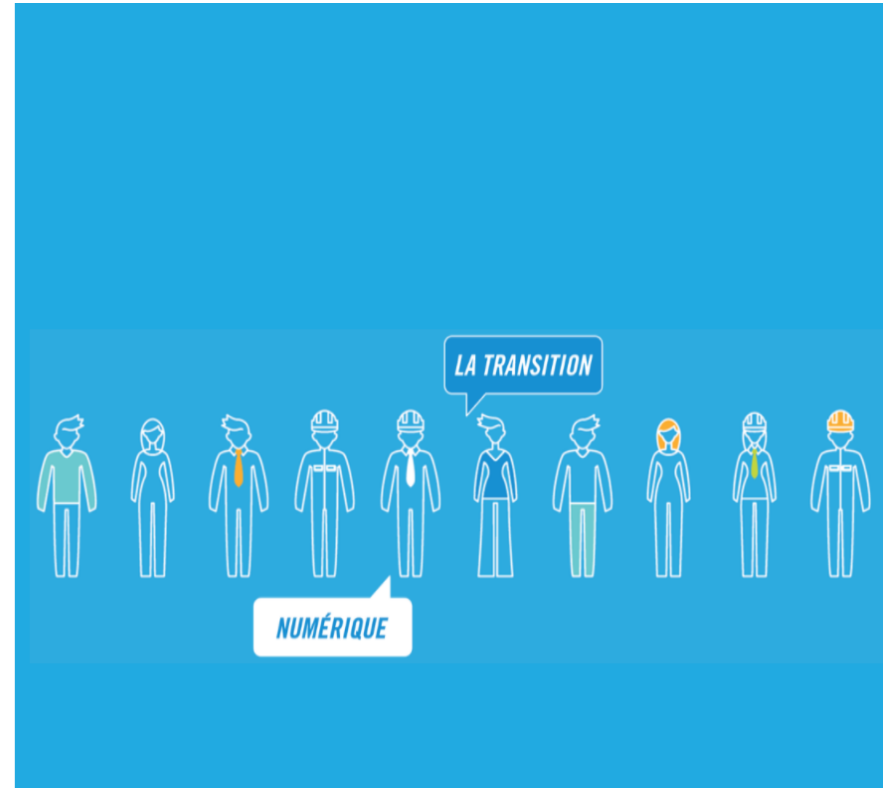

Please respect the following policy:

- ✗ Minimal size: 8
- ✗ Minimal lower characters: 1
- ✗ Minimal upper characters: 1
- ✗ Minimal digit characters: 1

New password

Confirm password

Submit Show/Hide passwords

- Log in with the temporary password provided in an email from Kroqi platform. You will then be asked to create a new password.
- Once you entered your new password, click on “Submit”.

REGISTRATION PROCESS

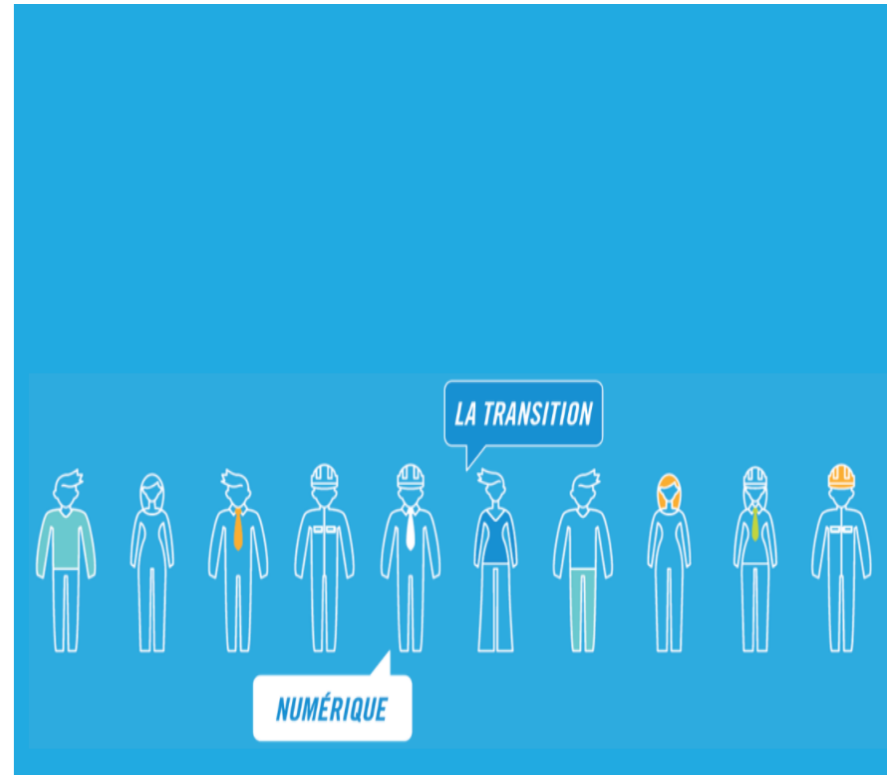

Password has been changed. Please reconnect.

 Connect

 Reset my password

Don't have a Kroqi account yet?

[Click here](#)

- You will get a confirmation that your password has been changed successfully. Please fill it in, and press “Connect”.

REGISTRATION PROCESS

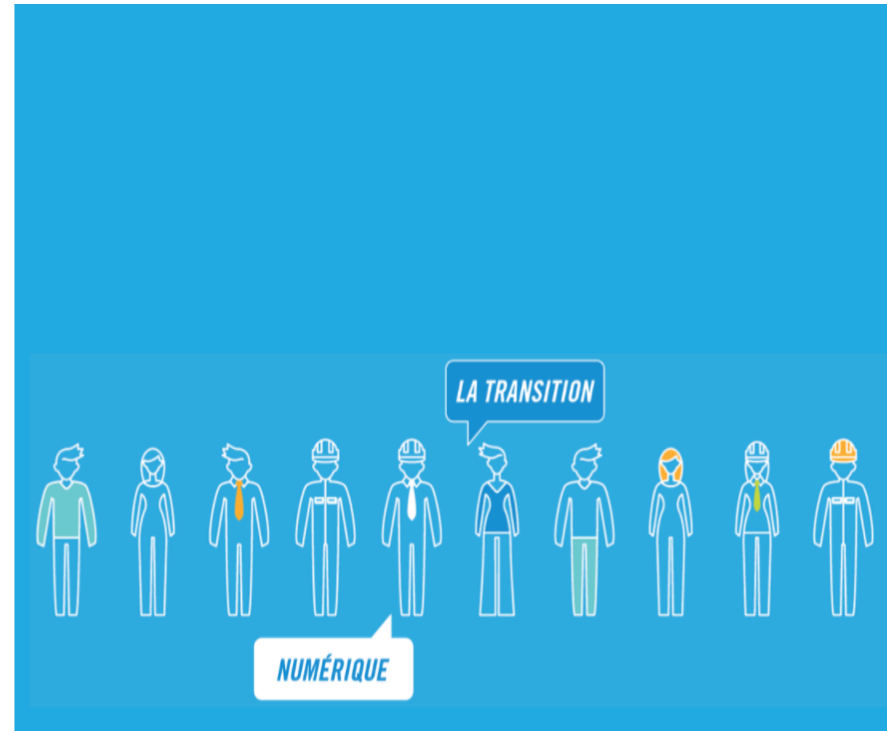

Conditions Générales d'Utilisation - Terms of Service

Service d'authentification KROQI - KROQI authentication service

- Je reconnais avoir pris connaissance et accepter les conditions générales d'utilisation de la plateforme KROQI accessibles à l'adresse suivante : [CGU KROQI](#)
- I acknowledge to have read and to accept terms of services that are available at this address: [KROQI conditions](#)

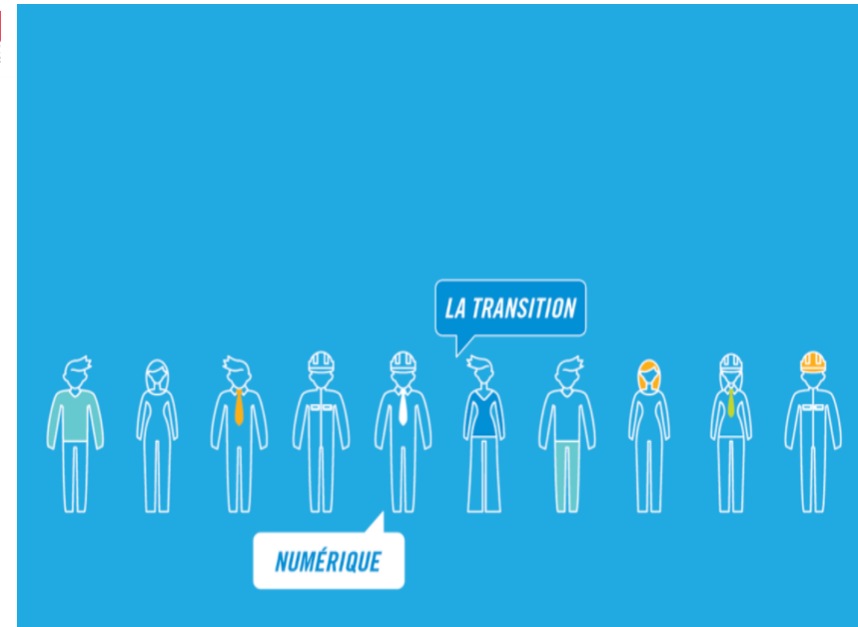

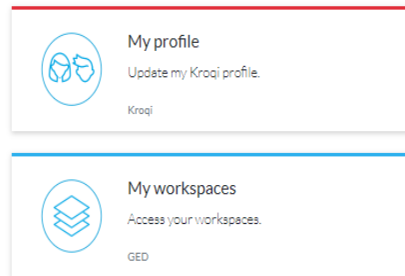

J'ai pris connaissance des conditions générales d'utilisation - I have read terms of service

- You will be asked to accept Terms and Conditions of Kroqi platform. Please tick the box and press on “Accept”.

REGISTRATION PROCESS

- You will see the screen above.
- In section “*My profile*” you can edit your personal information – name, contact info, upload photo and update your password.
- To continue registration to the Competition, press “*My Workspaces*”.

REGISTRATION PROCESS

Logged in under info@fec.eu

My workspaces KROQI

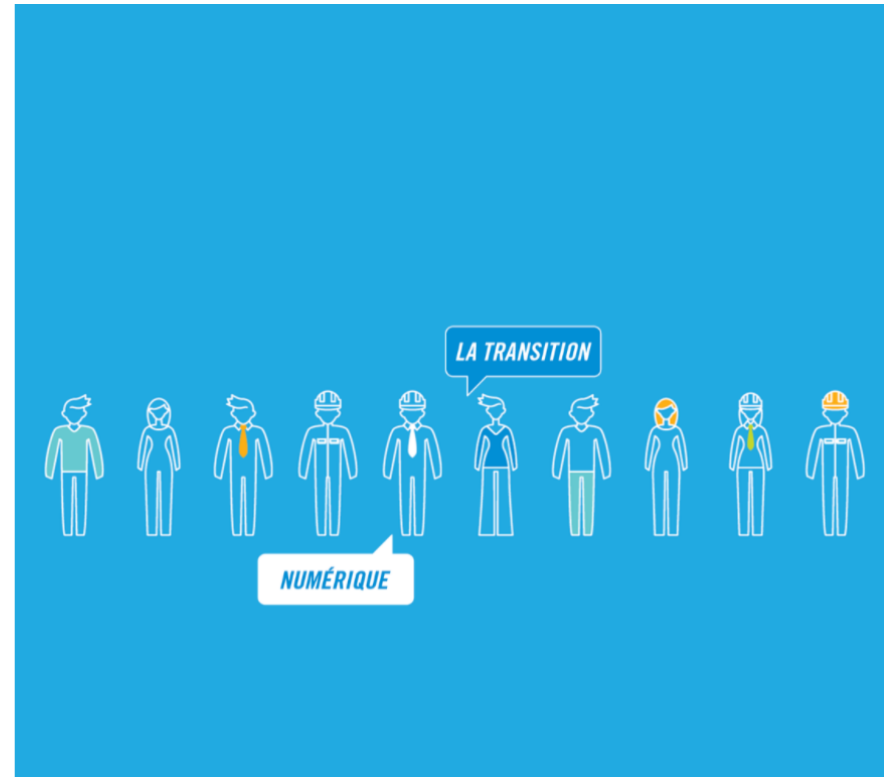

Find below the list of KROQI accounts in which you participate

You are not currently participating in any KROQI workspace

To create a new workspace
[click here](#)

- Once you click on “My Workspaces”, you see the list of Workspaces in which you are/ will be participating.
- In order to create a new Workspace and participate in the Competition, press “click here”.

REGISTRATION PROCESS

Create a new workspace KROQI

The KROQI platform is only intended for construction professionals. See the T & Cs for more details.

What name do you want to give to your workspace?

FIEC Test Competition

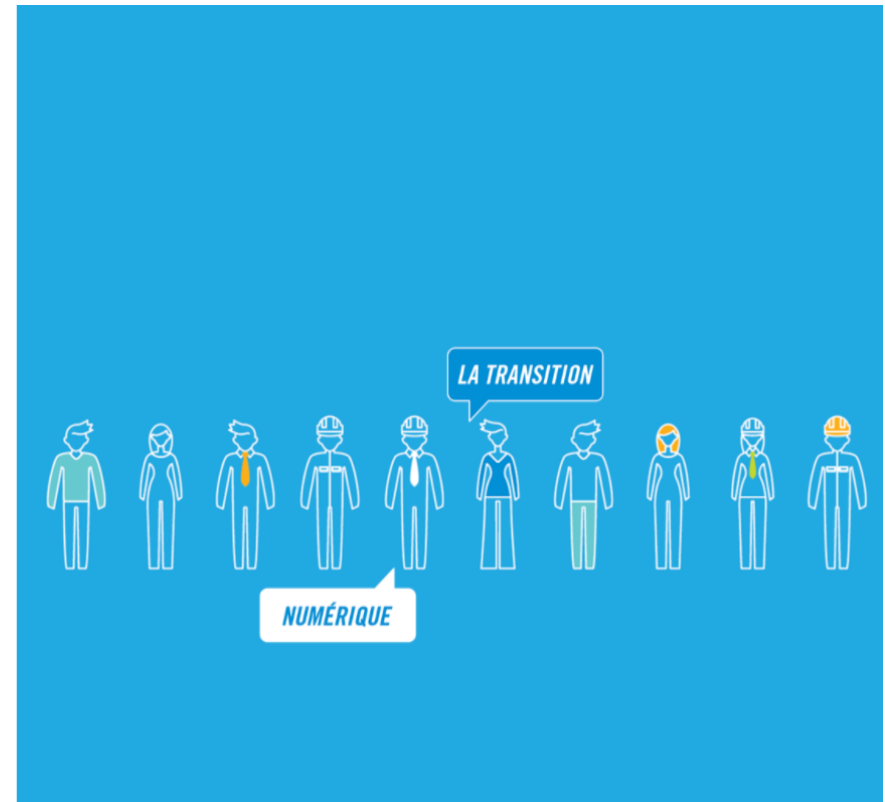

What address do you want to give to your workspace?

https:// FIEC-Competition | .kroqi.fr

Only lowercase letters without accents (a-z), numbers (0-9) and the minus sign (-). Max 32 characters.

I acknowledge having read and accept the general conditions of use of the KROQI platform accessible at the following address
<https://www.kroqi.fr/cgu/>

Confirm

- Here you can give a name to your Workspace and as well choose an address (= web link) to access it.
- In addition, you must accept general conditions of Kroqi platform and press “Confirm”.
- Once you create your workspace, you will also receive automatic email from Kroqi platform with a confirmation.

REGISTRATION PROCESS

A screenshot of the KROQI user interface. The top left shows the user's profile: "FT FIEC TEST RS" and "Roberta Stankeviciute". Below this is a navigation menu with options: "Dashboard", "Search", "Notifications", "Contacts", "AirTime & Rooms", and "More". Under "MY WORK", there are "My tasks", "My calendar", and "My validations". The main content area shows "My projects" with sub-options "All projects" and "Archived projects". A search bar is present with the text "Filter by name or tag...". Below the search bar, there is a section titled "Modèles" with a dropdown arrow. A project card is visible with a teal "DO" button and the title "Démonstrateur OLYMPI". On the right side, there are two buttons: "+ Create new project" (highlighted with a red box) and "+ Create a user". At the bottom right, there is a sorting option "Order by name" and icons for list and grid views.

- Once you create your Workspace, you see the window above with “demonstration example (i.e., OLYMPI)” and all your created projects. On the left there is a menu with different options to navigate.
- In order to create a new project and participate in the Competition, press “Create New project”.

REGISTRATION PROCESS

A screenshot of the KROQI web application interface. The top navigation bar includes the user profile 'FT FIEC TEST RS' with the name 'Roberta Stankeviciute' and buttons for '+ Create new project' and '+ Create a user'. The left sidebar contains a navigation menu with items like 'Dashboard', 'Search', 'Notifications', 'Contacts', 'AirTime & Rooms', and 'More' (highlighted with a red box and an arrow). Below the sidebar is a 'MY WORK' section with 'My tasks', 'My calendar', and 'My validations'. The main content area shows 'My projects' with a search filter and a list of projects under the 'Modèles' category, including 'Démonstrateur OLYMPI' with a 'DO' tag and a notification bell icon.

- The page could be used in two languages – French and English. You can switch between them if you click on “More” on left navigation menu.

ENTER THE COMPETITION

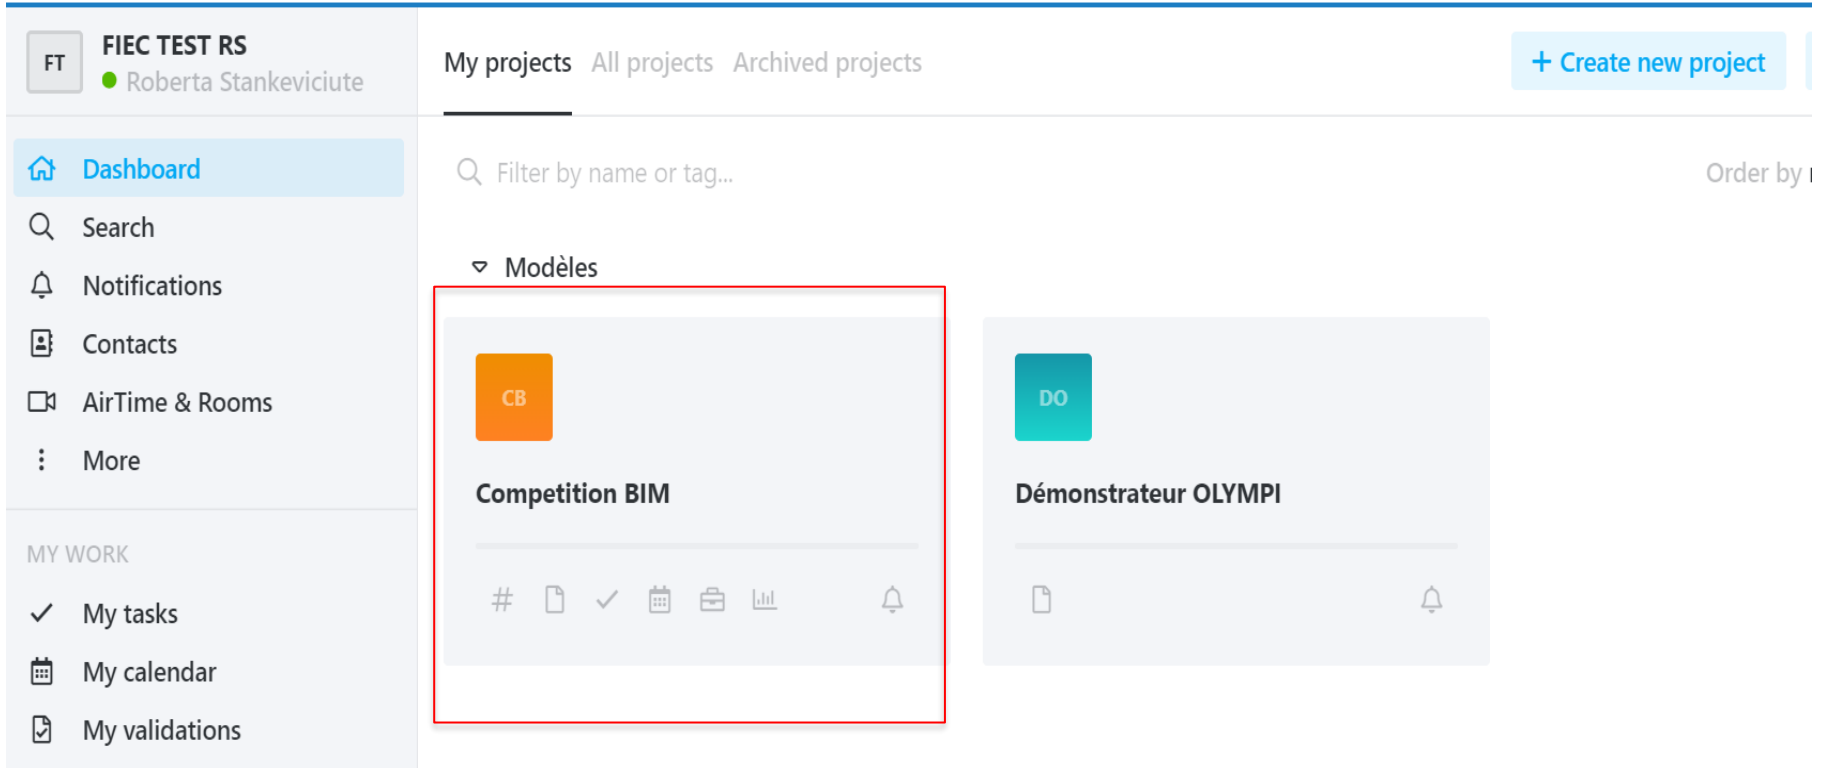

- You have completed the process of creating your workspace and you can start working on it with your team. However, your project is not registered yet in the competition. The following steps will show you how to register your project in the competition.

Important note

- The registration process is open until **14 February 2022**, and the submission deadline is on **21 February 2022 (12:00pm CET)**.

ENTER THE COMPETITION

The screenshot shows a user interface for a project management system. On the left is a sidebar menu with the following items: FT FIEC TEST RS (Roberta Stankeviciute), Dashboard, Search, Notifications, Contacts, AirTime & Rooms, More, MY WORK, My tasks, My calendar, and My validations. The main area displays a list of projects under the heading 'Modèles'. A search bar is present with the text 'Filter by name or tag...'. A '+ Create new project' button is in the top right. Two project cards are visible: 'Competition BIM' (with an orange 'CB' icon) and 'Démonstrateur OLYMPI' (with a teal 'DO' icon). The 'Competition BIM' card is highlighted with a red border. Below the project name on each card are several icons: a hashtag, a document, a checkmark, a calendar, a briefcase, a bar chart, and a bell.

- Go to the main Menu and click on your project with which you will participate in the Competition.

ENTER THE COMPETITION

A screenshot of a Microsoft Teams interface. The top bar shows the current channel as "# FIEC Project for BIM" with a dropdown arrow. To the right of the channel name are several icons: a hash symbol (#), a document icon, a checkmark, a calendar icon, a puzzle piece icon (highlighted in yellow), a bell icon, and a group of people icon. Below the top bar, the main content area displays the channel name "# FIEC Project for BIM" and a list of benefits for using a channel. A red arrow points from the puzzle piece icon in the top bar to the channel name in the main content area. The left sidebar shows a navigation menu with options like "Accueil", "Recherche", "Notifications", "Contacts", "AirTime & Salles", and "Plus". The bottom section of the sidebar is labeled "CHATS".

- Participants in both categories can find any relevant files in this folder:
<https://bimspeed.kroqi.fr/shared/#/folder/bf6d20ee966414c1f4e58172fac707df>

- For students' category, you can download the BIM-SPEED demo site model from the following folder:
<https://bimspeed.kroqi.fr/shared/#/folder/84afb7e5746bd0aab5f6770639315f92>

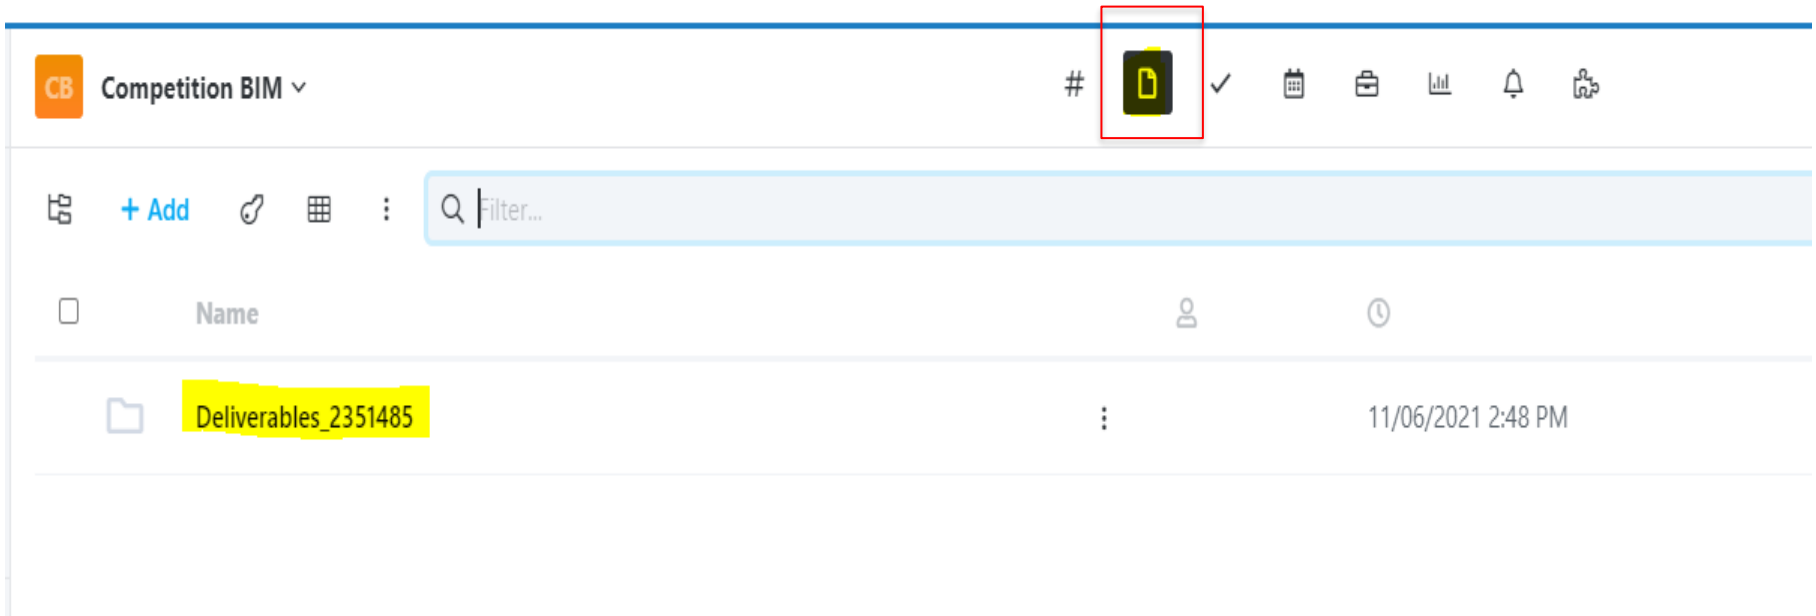

THE REGISTRATION PROCESS IS COMPLETED

- You have successfully registered your project to participate in the “BIM for Building Renovation Competition”.
- You can now work on your project until the submission deadline: **21 February 2022 (12:00pm CET)**.

SUBMISSION PROCESS

- For both professionals and student's category: Create a folder named "Deliverables_Your project number" (e.g. Deliverables_2351485)

The screenshot shows a file management interface for a project titled "Competition BIM". The interface includes a search bar with the text "Filter...", a table of files, and a toolbar with various icons. A folder named "Deliverables_2351485" is highlighted in yellow in the table. A red box highlights a folder icon in the toolbar.

Name	Person	Time
Deliverables_2351485	:	11/06/2021 2:48 PM

SUBMISSION PROCESS

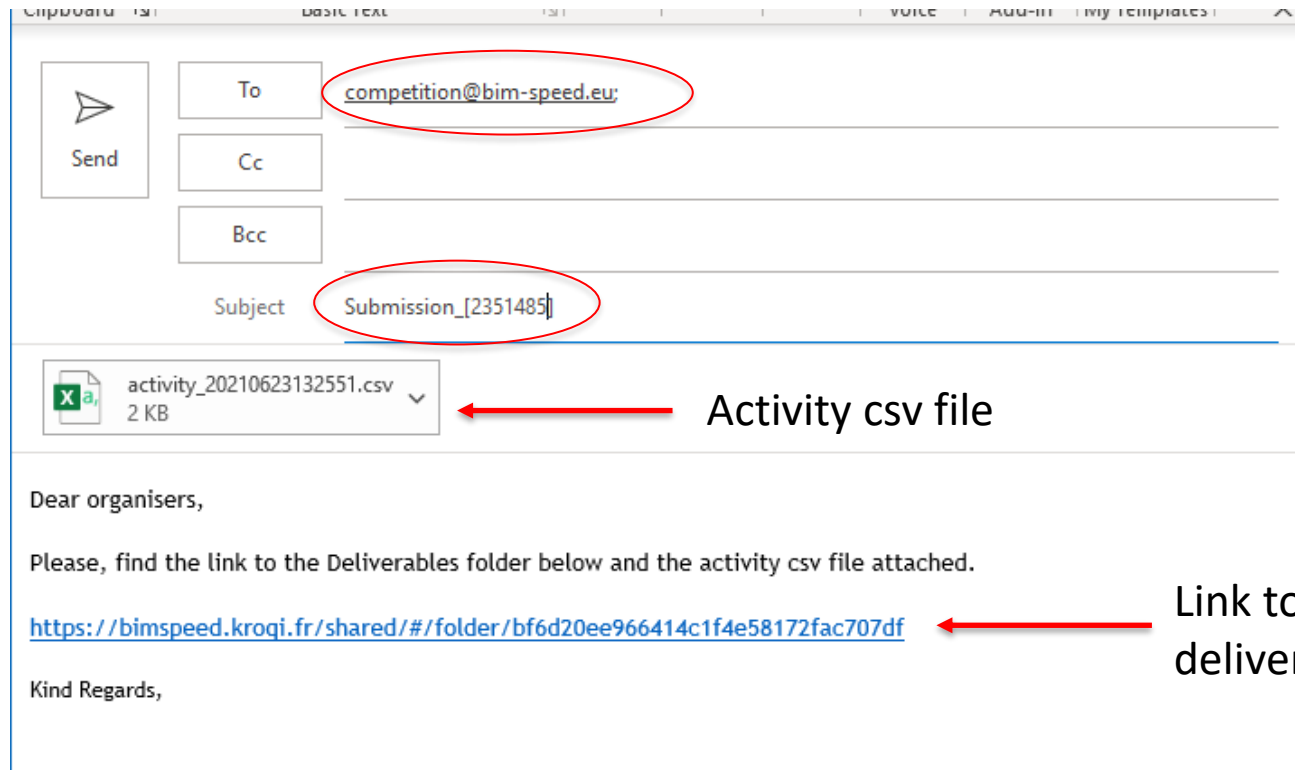

Inside the folder you should place the following files:

- Professionals' category: Your project file (final federated model file type: IFC 2x3)
- Students' category: The BIM-SPEED demo model (it can be found here: <https://bimspeed.kroqi.fr/shared/#/folder/84afb7e5746bd0aab5f6770639315f92>)
- The filled in report template (it can be downloaded here: <https://bimspeed.kroqi.fr/shared/#/folder/bf6d20ee966414c1f4e58172fac707df>)
- One infographic (The infographic should represent the proposed design concept regarding the required brief)
- Other visual material (at least 1 image in JPEG format)

SUBMISSION PROCESS

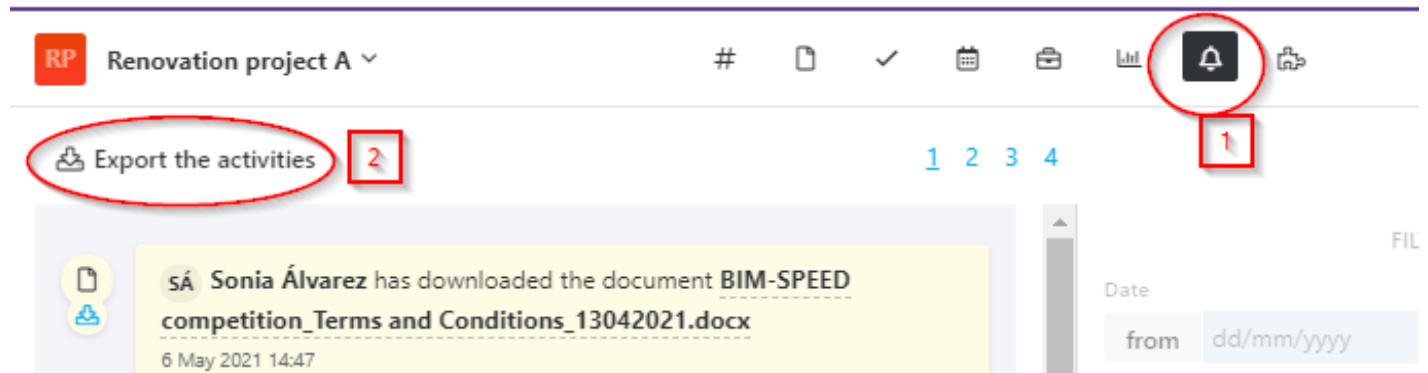

- Send via email to competition@bim-speed.eu with subject line: “Submission_[project number]” the:
 1. The link to the Deliverables folder
 2. The activity csv file

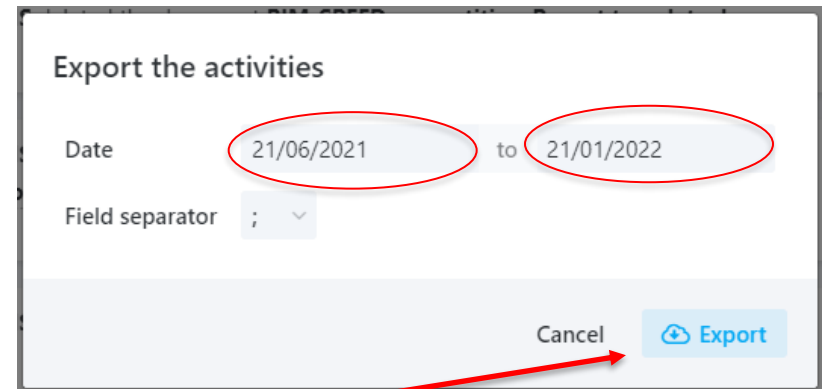

The screenshot shows an email composition interface. The 'To' field contains the email address competition@bim-speed.eu, which is circled in red. The 'Subject' field contains the text 'Submission_[2351485]', also circled in red. Below the subject field, an attachment is shown: a CSV file named 'activity_20210623132551.csv' with a size of 2 KB. A red arrow points from the text 'Activity csv file' to this attachment. The email body begins with 'Dear organisers,' followed by the instruction 'Please, find the link to the Deliverables folder below and the activity csv file attached.' Below this is a blue hyperlink: <https://bim-speed.kroqi.fr/shared/#/folder/bf6d20ee966414c1f4e58172fac707df>. A red arrow points from the text 'Link to the deliverables folder' to this hyperlink. The email concludes with 'Kind Regards,'.

SUBMISSION PROCESS – ACTIVITY CSV FILE

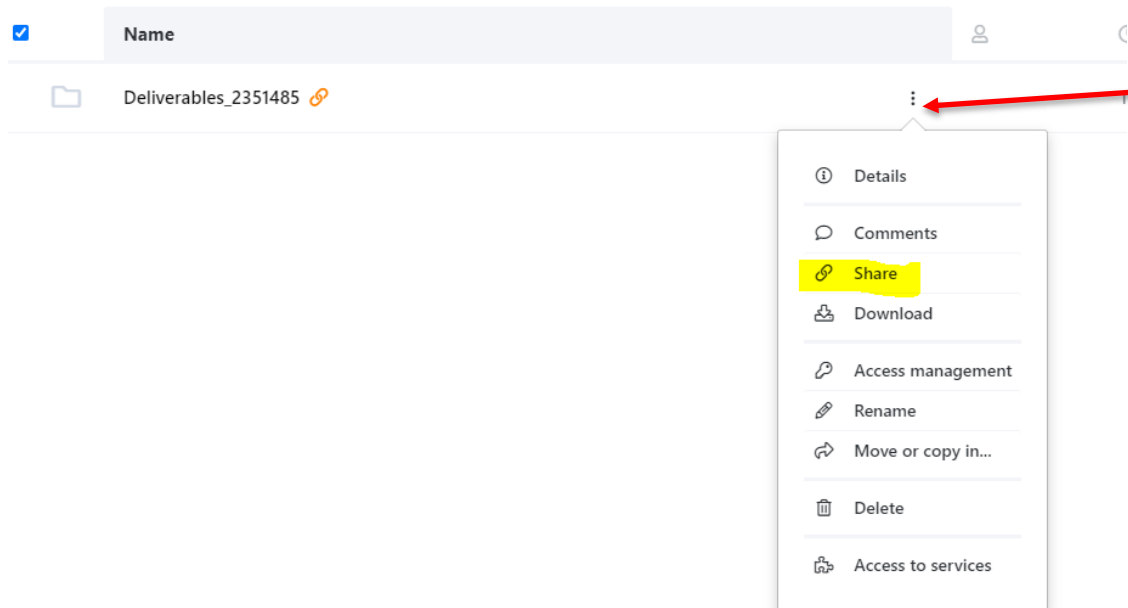

- Go to the activity menu (1) and then click on “Export the activities” (2).
- In the “Export the activities” pop-up window insert the start and end date of the competition (i.e. 21 June 2021, 21 February 2022).
- Click “Export” to download the csv file that you have to send as an attachment.

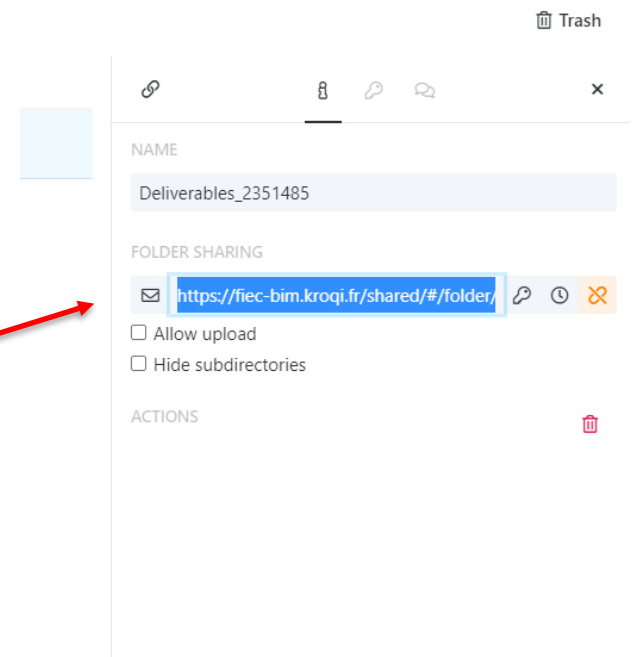

SUBMISSION PROCESS - LINK TO THE DELIVERABLES FOLDER

- Copy the link of the deliverables folder

- Press on the three little dots icon and choose “Share” option.

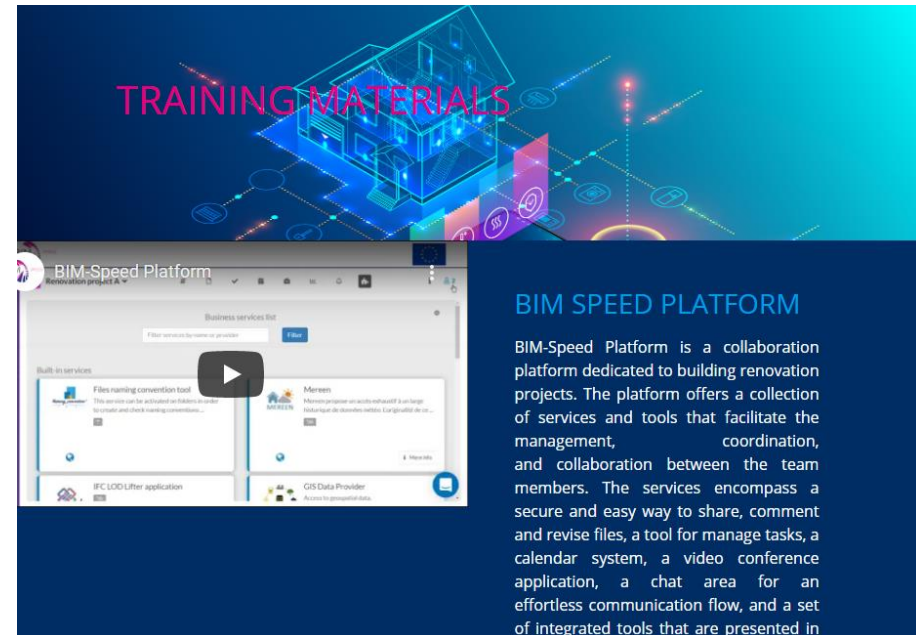

- And then copy this link:

SUBMISSION

- As a last step, please, fill in the online form of declaration of authorship that can be found in this link : <https://www.surveymonkey.com/r/BIMSpeedAuthorship>

- You can find useful information on how to use the platform and BIM tools on BIM-SPEED website “Training materials” area: <https://www.bim-speed.eu/en/training-materials>

BIM SPEED PLATFORM

BIM-Speed Platform is a collaboration platform dedicated to building renovation projects. The platform offers a collection of services and tools that facilitate the management, coordination, and collaboration between the team members. The services encompass a secure and easy way to share, comment and revise files, a tool for manage tasks, a calendar system, a video conference application, a chat area for an effortless communication flow, and a set of integrated tools that are presented in
